I was told that the issue with this lady and kids running all over was going to be take care of, well she is bathing those kids on the sidewalk, therefore, the problem has not been taken care of. She has trash all over her car parked near Dominguez by the Motel 6, now she is back where she was told to leave. I am not outside watching wether she has the kids naked or not, but I saw they are half naked. Ridiculous and child abuse in my book. DO we have any law enforcement anymore? Vera street and 213th st if you are interested.

Thanks.
